The Municipality of Castel Frentano with Decision di G.C. N. 62 of 24.05.2018 approved the project initiative called "1 EURO HOUSE", in the wake of other similar initiatives born in Italy in these years, in order to recover and enhance the properties located in the Historical Center, for the purpose to recover it and to stem the phenomenon of depopulation that is being recorded. The initiative wants to allow those who join, to contribute, each for their own part, to achieve a primary public interest that is precisely the urban distinctive configuration recovery of our old town and its housing, commercial and crafted revitalization.

It is communicated to the citizens, therefore, that it is the Municipal Administration intention to acquire the availability to free transfer, by citizens owners of properties located in the Castel Frentano historical center, for the subsequent and possible recovery and reuse for the aforementioned purposes.

Also whoever, private, Agencies and / or Company, etc., was interested in the acquisition and subsequent recovery of the properties and to invest in the project for the enhancement and recovery of the historical center, can request it.

Therefore, those who intend to join this initiative, both for the possible dispose of the properties and for the eventual purchase and recovery, can forward a specific communication to the person in charge of the Urban Planning Sector of the Municipality of Castel Frentano, at the following addresses mail: claudio.angelucci@comunedicastelfrentano.it, or protocollo@pec.comunedicastelfrentano.it, or by ordinary mail to the address of the City: Street N. Moscardelli, snc - 66032 Castel Frentano (CH), declaring its availability by filling out the forms "A" and "B" respectively.

It is specified that the manifest availability will have a temporal value for a period of three years.

All useful documents can be downloaded from the homepage of the institutional site of the Municipality of Castel Frentano at www.comunedicastelfrentano.it.
